

ICE CREAM AND CAKE — A huge crowd was on hand at the high school cafetorium Tuesday evening for the Ice Cream and Cake supper served by Pied Piper Booster Club. The coaching staff and players were introduced to the parents, members and guests at the meeting. The Colorado City scrimmage film was shown. The Booster Club meets each Tuesday evening at 7:30 in the high school cafetorium to hear the scouting reports and see the film of the previous week's game. Archie Tomlinson is president.

NEWS AND VIEWS...

And What Have You

By BOB CRAIG

James Roberts, Andrews County News publisher, has come up with another one of those columns that we wish that we had written. But since he has said it so well, we will just pass along his thoughts.

"We wish the Republicans could settle their differences as easy as Roger Staubach and Clint Longley—a lot of prime television time could be put to better use.

"But like the Democrats before them, the Republicans are not facing up to the issue.

"Neither the Democrats nor the Republicans are willing to face up to a fact that most citizens became aware of several years ago: we've lost control of the government!

"And in our opinion, it doesn't matter two slices of a frog-hair which party puts their man in office in November—neither will be able to guide, direct, or control the federal government.

"Whether Democrats, Republicans, congressmen, administrators, or senators are in office, the control of the government has been captured by the agencies and bureaus.

"No one in this country likes or wants busing. Yet we have busing. Everyone is convinced that the neighborhood concept of public schools is best for the elementary-age pupil, yet we're busing them across town.

"Those 1500 lawyers that were employed during the peak of the Watergate investigation have not gone home. They've simply picked up their briefcases and moved into the employment of OSHA, Environmental Protection Agency, Internal Revenue, Federal Energy Administration, Health, Education and Welfare, Consumer Protection Agency and dozens of other bureaus.

"Those are the people that are running the government and slowly but surely strangling individual liberties, individual and business initiative, and personal corporate freedom.

"And it's all done under the guise of being helpful! They're helping us down a one-way street to a controlled, socialistic society dominated and dictated to by a handful of entrenched bureaucrats who supposedly know what's best for all of us.

"Congress or the administration created these monsters yet neither the Democrat-controlled Congress nor the Republican presidents have been able to cope, restrict, refine, or negate the rules and regulations that flow from these agencies like hot lava from an erupting volcano.

... and like lava, it is all-consuming, all-powerful, all-

—Continued on page 4

Contract Signed For Apartments

In a meeting held here Friday, the contract for construction of two apartment complexes was signed with North Construction of Hurst.

The contract signed for \$178,050.00 will become effective when approved by Farmers Home Administration office in Temple. Construction is due to begin 10 days after the approval. Completion time will be 180 days, according to

John V. Howard, executive director of the housing authority in Hamlin.

Meeting Friday in the City Hall Conference room were representatives D. B. North Jr. of North Construction Company, Joe Bill Pierce of Pierce and Pace Associates of Midland, architects; Howard and members of the executive board, L. E. Prewitt, Robert Moore and H. L. Williams; and Robert Fowler, Hamlin mayor.

Emergency Medical Training Now Available

The whole Emergency Medical Services System in Hamlin is dependent on getting immediate care to the critically ill and injured.

In some cases the few minutes that elapse before professional emergency technicians arrive could mean a great deal of difference in the care and condition of a patient.

For this reason the more people who have emergency medical care training, the safer the man on the street.

The American Red Cross offers courses in First Aid. In the event of an accident - around the home, on the ranch, or in the middle of town - the Red Cross-trained

citizen can render first aid until an ambulance arrives.

For more information on services offered by the Red Cross, contact Mr. George Kinney, P. O. Box 288, Stamford, Texas 79553.

Also the American Heart Association (AHA) offers an 8-hour course on cardiopulmonary resuscitation (CPR). This training enables someone to help a cardiac patient in the event of a "heart attack." It could prevent brain damage as well as saving a life. Citizens who have a cardiac patient in their family are especially encouraged to call the AHA at (915) 673-5371 to enroll.

UP FOR STATE HONORS—

Hamlin School Board Is Regional Honor Board

The Board of Trustees of the Hamlin Independent School District has been recognized as a Regional Honor Board by the Texas Association of School Administrators. The Hamlin Board, nominated by Superintendent Bob Hawes, was selected in competition conducted through the Region XIV Education Service Center.

A total of twelve school boards around the state have been designated "Regional Honor Boards." They also include Columbia-Brazoria, Forsan, Grand Prairie, Killeen, Longview, Mission, New Braunfels, Plains, Stephenville, Sulphur Springs, and West Orange-Cove.

These twelve school boards are now involved in statewide competition which will

ultimately lead to the selection of the "Outstanding School Board of Texas" for the 1975-76 school year. Four of these boards will be designated as "Honor School Boards" during the first week in September.

The Outstanding School Board in Texas will be announced at the joint convention of the Texas Association of School Administrators and the Texas Association of School Boards on Sunday, September 26.

The school board awards program is conducted annually by the Texas Association of School Administrators. The purpose of the award is to focus attention upon the dedicated and ethical service rendered by boards of education as exemplified by the school boards selected each year.

THE HAMLIN HERALD

HAMLIN, JONES COUNTY, TEXAS, 79520, THURSDAY, AUGUST 26, 1976

VOL. 71, NO. 44

PRICE 14¢

Registration Set Monday, Tuesday for Community Ed

Community Education classes will be offered during the 1976-77 school year, according to Carlton Taylor, the new director for the program sponsored by the Hamlin Independent School District. He replaces Mrs. Warren Sharp who served as director this past year.

This is the second year for the Community Education classes in Hamlin and a wide variety of courses, both educational and recreational, are planned, Taylor said.

A booklet containing information about the courses to be offered this fall will be distributed in the city today (Thursday) and Friday. Anyone who fails to receive a

booklet may pick one up at the Hamlin Board of Community Development office or at the Hamlin High School principal's office, according to Taylor.

Registration for the fall semester classes will be held

in the foyer of the high school building from 6 to 8 p.m. Monday and Tuesday. Persons may register for as many courses as desired. Courses will not be offered if there are insufficient registrations, Taylor said.

"It is very important that everyone in the community make an effort to attend registration and get involved in some phase of the community education program," Taylor said.

Tuition for all classes will be 50 cents per hour. In some instances there will be additional material fees. All courses require a minimum of 10 participants in order for the class to be offered. Fees must be paid at the time of registration.

Most classes will run from two to six weeks. Classes will meet once or twice each week for one to two hours per meeting.

Classes in additional subjects may be started if 10 or more requests are received by the director. Opening of such classes will be subject to the availability of space and a qualified instructor.

There will be a work day at Afton Cemetery Friday Sept. 3. All those interested in helping are urged to bring tools and be prepared to work all day.

Adult Education To Start Monday

"Have you finished high school? If not, now is your chance to do so. With all the complex machinery that is a part of our society, a high school diploma is more in demand than ever," according to Mrs. Mary Ella Brown, director of the Hamlin Adult Education program.

Adult Education classes will be held two evenings per week on Monday and Thursday nights at the high school building. The classes are free of any charge and are organized to prepare the student for the GED test. This

test, when passed, qualifies the student to receive the certificate that is equivalent to a high school diploma.

"If you have never gone to school, or stopped short of a diploma, the teachers can help you. Now is the time to prepare yourself for a better paying job, or be better prepared to help your children with home work," Mrs. Brown said.

An organizational meeting for these classes will be held Monday, Aug. 30, at the high school. For further information call 576-2459 after 4 p.m.

Pipers to Scrimmage Merkel Here Friday

The Pied Pipers will host Merkel here Friday evening in the final scrimmage before they open the season here the following week with the Stamford Bulldogs. The Junior Varsity will open the scrimmage at 6:30 with the Varsity scrimmage to follow.

The Pied Piper Booster Club will host a Barbecue Supper at the stadium beginning at 6:30, according to Archie Tomlinson, president. Tickets for the barbecue are \$2.50.

Coach Bill Grissom said this week that he was very pleased with the showing his Pipers made in their scrimmage last Friday with the Colorado City Wolves.

Grissom said that he thought the Pipers did a good job of containing the huge, highly rated Wolves.

The Wolves scored one touchdown early in the scrimmage and then the two teams battled scoreless for the remainder of the evening. "We had a couple of good drives that we should have scored on," Grissom said.

Starting on offense for the Pipers Friday night against Merkel will be Britt McCracken at center; Thomas Gonzales at right guard and Mark Carter at left guard; Allen Young at right tackle and Russ Lakey at left tackle; Ronald Brown at right end and Jimmy Ledbetter at left end.

In the backfield will be Charles Brown at flanker, Paul Reynolds at quarterback, Stanley Jones at fullback and Delbert Thompson at halfback.

Starting on defense will be Mike Corley at left tackle and Allen Young at right tackle; Paul Reynolds at left end and Jimmy Ledbetter at right end; Stanley Jones at left linebacker and Delbert Thompson at right linebacker; Drew Tomlinson at left corner and Thomas Gonzales at right corner; Mike Hymer at left halfback and Ronald Brown at right halfback; and Charles Brown at safety.

Coach Grissom will have 22 boys on his varsity team this year and 24 boys on the junior varsity. The junior varsity will play their first game at Stamford on Thursday, Sept. 2.

The eighth grade will open their season here with Haskell on Thursday, Sept. 9.

COSTS ARE GREATER TOO—

More Local Youths Bound For College This Year Than Ever

(Special to the Herald)
NEW YORK, — The proportion of Jones County's young people that will be going to college in September, when the Fall semester begins, will be greater than ever, it appears.

Greater than ever, also, will be their tuition bills and other costs, which have ballooned considerably since last year.

On the basis of figures gathered from colleges in all parts of the country, the new schedules add from 6 to 8 percent to most 1975 rates.

For residential students at four-year private colleges, the average increase will be about \$275 and, for those at four-year public colleges, close to \$225.

Parents of Jones County students will be shouldering a \$2,195,000 load for the academic year, it is

estimated, based upon the number of local students enrolled.

This outlay will take care of all expenses, including room and board, tuition, fees, transportation, books and miscellaneous items.

Data on college costs and enrollments for the forthcoming year come from surveys made by the College Entrance Examination Board, the Department of Commerce and others.

Their preliminary figures indicate that more than 11 million young men and women will be attending college this year, compared with 10,870,000 in 1975.

In the six years since 1970, states the Census Bureau, enrollments have risen by 31 percent, due principally to an increase in women students.

The number of Jones County students who will be

going to college, come September, will be about 640, it is estimated.

Just how much it will cost, in each individual case, will depend upon the institution selected. The rates vary widely.

For those who will be attending private four-year colleges, the annual cost will be \$4,568, according to the College Board. At public four-year institutions, it will average \$90. The bill at two-year private colleges will be \$3,907 and, at public two-year colleges, \$2,454, its survey indicates.

The total cost confronting Jones County parents, approximately \$2,195,000 is based upon the assumption that half the local students will be going to public colleges and half to private ones.

Thompson-Vines Wedding Vows Exchanged In Temple

Marriage vows were read at 3 p.m. Saturday in Meadow Oaks Baptist Church in Temple by Nancy Luann Thompson of Temple and Daniel Matthew Vines of Lufkin.

The bride's parents are Roy G. Thompson of Hamlin and Mrs. Mike (Wanda) O'Neill of Temple. Mr. and Mrs. D. M. Vines are parents of the bridegroom.

The Rev. Isaac Butterworth of Levelland officiated.

Organist was Cindy White of Hamlin.

Mrs. Ben Graham of Taylor was matron of honor and Mrs. John Gibson of Temple was bridesmaid.

Brooke Graham of Taylor was flower girl. David Vines of Lufkin, brother of the bridegroom, was candle lighter.

Steve Dorsett of Henderson was best man. Larry Turner of Lufkin was groomsman.

Guests were seated by Ray Childers of Lufkin, Brit Thompson and Charlie Thompson, both of Hamlin, brothers of the bride.

Presented in marriage by her father, the bride wore a gown of ivory chiffon over taffeta with a bib yoke of lace and pearls with dainty mandarin collar outlined in pearls. The sheer sleeves were caught at the wrists with narrow cuffs of lace. The skirt formed a chapel train which was edged with matching lace. Her fingertip veil of ivory illusion fell from a fitted headpiece of lace.

Mr. and Mrs. O'Neill hosted the reception at the church. After a wedding trip to Arkansas, the couple will

MRS. DANNY VINES
... formerly Nancy Thompson

reside after Sept. 1 at 3027 N. Pecan No. 215, Nacogdoches, where both are attending Stephen F. Austin State University.

The bride, a former Hamlin school student, was graduated from Academy High School and attended Temple Junior College before enrolling as a special education major in Nacogdoches.

The bridegroom, a graduate of Lufkin High

School attended Angelina College before transferring to Nacogdoches as a forestry major.

Mr. and Mrs. Vines hosted the rehearsal dinner at Holiday Inn in Temple.

Attending from Hamlin were Mr. and Mrs. Thompson and Nora Bell Hill.

Ladies Attend Houseparty At Baylor University

Mrs. LaFoy Patterson and Mrs. Edgar Duncan attended the Texas Baptist Woman's Missionary Union Houseparty at Baylor University at Waco from Monday through Thursday.

About 2500 women were registered for the four days of conferences, sermons and music. The women were housed in Baylor dormitories.

Virginia Seeling of Dallas, professor of voice at Southwestern Baptist Theological Seminary, was in charge of the music. Pianist was John Dresbach, minister of music at West Sherman Baptist Church, Sherman; and organist was Dr. Joyce Jones, organ professor, Baylor University.

Bride-elect Honored With Gift Tea Here

Mrs. C. Weldon Griggs honored Jana Susan Ferguson, bride-elect of Ricci Von Harugthy, with a gift tea Saturday in her home.

Guests were served from a polished table with silver appointments and a centerpiece of bronze and gold mums and yellow daisies.

Receiving with the hostess and honoree were the bride's mother, Mrs. S. C. Ferguson, the bridegroom's mother, Mrs. Jack Harugthy and his grandmother, Mrs. E. H. Baxter of Anson.

Music was furnished throughout the afternoon by Miss Linda Marcom, daughter of Rev. and Mrs. Howard Marcom.

Hostesses with Mrs. Griggs were Mmes. M. L. Smith, David Casey, Buford Bigham, Irby Weaver, Jerry Smith, Muriel Don Smith, Robert Moore, Larry McCoy, Joe Wayne Carter, Bill Shira, John H. Steele, Edgar Lewis, Ernest Jenkins, J. C. Bailey, Howard Mehaffey, Tim Jones, Ray Sonnenburg, Robert Cary, B. V. Newberry, Doc F. Neal and Miss Lola Milstead.

The couple will be married Sept. 18 at First Baptist Church.

MOTHERS HONORED—Mrs. Robert Goodgame Jr., left, and Mrs. Joe D. Hymer, are being served by cheerleader Starlet Covington, center, at the tea honoring varsity mothers Thursday at Sweetwater Savings Association meeting room. Other cheerleaders serving are, from right, Jamie Crowley, Cheryl Baker and Julie Willingham.

Piper Varsity Mothers Honored Here Thursday

A tea honoring the Pied Piper Varsity mothers was given Thursday evening by wives of the Hamlin coaching staff.

Guests were served by the cheerleaders, Cheryl Baker, Starlet Covington, Jamie Crowley and Julie Willingham. The table was covered with white and refreshments included lime punch and green and white cookies.

Guests included Mmes. Rex Reynolds, Skipper Smith, Herbert Lakey, Kenneth Young, Ed Wheat, D. R. Stewart, Milton Carter, Joe D. Hymer, Robert

Goodgame Jr., Archie Tomlinson and Mrs. Linda Corley of Abilene.

Hostesses were Mmes. Bill Grissom, Keith Barrick, Larry Bartee, Garry Bartee and Jim Lisle.

Mr. and Mrs. Delbert Lee McNeil are parents of a boy, Shannon Del, 6 lbs. 11 oz., born Aug. 24 at 12:17 p.m. Other children are Mona Diane, 10, and Carrol Lee, 4. Grandparents are Mr. and Mrs. Dan Anderson of Rule and Mrs. Tilda M. McNeil of Brownfield.

Mrs. McCoy Hosts Friends Class Meeting

Mrs. J. E. McCoy was hostess for the Aug. 10 meeting of Friends Sunday School Class of First Baptist Church. Mrs. Ray Johnson assisted as co-hostess.

Mrs. McCoy, outreach leader, presided and gave the devotional on "Promises of God."

Refreshments of home-made strawberry ice cream and pound cake were served. Attending were Mmes. Clyde Lewis, V. M. Wallace, Byron Swank, Marvin Carlton, Elbert Payne, Herman Sharer and Charles Pearce.

Mrs. Sharer gave the closing prayer.

GIRL SCOUT NEWS

Repair work on the Girl Scout Hut has been completed and the building is ready for the year of activities.

New wallboard was installed, new roof put on, new water line put in, new carpet and tile installed, a pay telephone added, and the building was painted inside and outside. Other improvements include a new kitchen cabinet, new fireplace grill, new putty and sealer on windows, an air conditioner installed and kitchen table and chairs and a couch donated.

The building was also exterminated.

The leaders express their appreciation to Luther Haught and Lon Hughes who

did more than their share of the work.

The Hut has been completely cleaned and new curtains hung. Everyone is urged to take special care of the building and the girls are especially encouraged to take pride in the building. Parents are asked to instruct their children to avoid misuse of the building that took a year to refurbish.

A service unit meeting will be held at the hut Monday at 1 p.m. for all leaders, helpers and any persons interested in becoming a leader or helper.

Lynn McKinney, Scout representative, will set up a date to register all Girl Scouts at one time at a later date so the leaders will not have to do all the paper work.

Cupboards are coming out! Rooms open up to new styles

The cupboard is coming out of the kitchen. It's moving into the living room, dining room, master bedroom, children's rooms, family room, den.

The move is on because the cupboard is no longer a cupboard, it's a cabinet. About 99 per cent of the time it's a built-in, not a free-standing unit, and it's furniture, embodying the same characteristics of style and finish as furniture for any other room of the home.

No longer is your choice confined to colonial, contemporary, mediterranean or provincial: you can have "most any exterior styling your eye finds appealing, be it oriental or alpine!"

And inside, manufacturers offer all kinds of options to organize storage: revolving racks, roll-out shelves and trays, vertical dividers, drawer dividers, letter files, food files, wine racks, can racks, cutting boards, towel bars. What makes these and other fittings good for the kitchen — the fact that what was once fixed is now flexible — makes them useful in other rooms, too. And the same people who plan cabinetry for kitchens design its installation in these other rooms.

Many of the country's "space specialists" are members of the American Institute of Kitchen Dealers, who operate as independent retailers or are affiliated with a lumber yard, or an appliance or home center.

NOW THAT CUPBOARDS ARE CABINETS, they're useful in every room — not just in the kitchen! A member of the American Institute of Kitchen Dealers designed this bedroom storage wall with Wood-Mode cabinetry incorporating roll-out drawers and adjustable shelves.

These professionals are equipped to plan and install, or to plan the cabinetry and let you install it. From AIKD members come these beyond-the-kitchen storage suggestions.

Master Bedroom: Transform a sleeping room into a 24-hour-a-day room by building in niches for stereo and TV; nightstands with bookshelves above. Install a small refrigerator

for midnight snacks, in a cabinet that by day is a desk.

Library or Den: Use cabinets and shelves to contain books of all sizes and to keep paperwork in place; to house stereo equipment, television set, tapes and tape deck; to store and keep records at hand.

Build in a desk with a letter file above; a bar with roll-out bottle shelf and wine rack.

Family or Hobby Room: Use a plastic vegetable bin to hold yarns; drawer dividers to keep art supplies orderly; a pull-out shelf as a game table.

Child's Room: End chaos with cabinets for records.

pictures, toys and games, and the various oddments that children collect — from stamps to stuffed animals.

Consider roll-outs for clothes and collectibles: they're more fun than conventional drawers, and more convenient.

Laundry/Utility Room: With cabinets, create a sewing center, where the sewing machine disappears when not in use; a potting shed, with roll-out and revolving shelves for lawn and garden supplies.

Have a drop-down ironing board that hides behind its own door; a corner carousel for soaps and detergents.

These are just a few of many ways that professionals "find" space and use it all over the house, in cabinets that no longer are cupboards.

NO CHEMISTRY

Do not mix household cleaning products! When blended, even cleaners that are harmless when used as directed may give off noxious gases (this is particularly true of solutions containing bleach.)

TUB SAFETY

The Consumer Product Safety Commission reports that more than 75 percent of all bathtub-shower fatalities were children under five years of age who were not supervised while bathing.

LOANS FOR BUGS, BIRDS, CATS, AND HORSES.

SWEETWATER

ROTAN

ROSCOE

HAMLIN

FROM THE FILES..

FIFTY YEARS AGO

(August 27, 1926)

One of the most sensational crashes ever to happen in Hamlin in the way of auto accidents occurred Wednesday morning when the Dodge Laundry truck of the Stamford Steam Laundry tore away from the Driver, M. M. Daughtery, and plunged into the elegant plate glass window on the north side of the Barrow Furniture store. Not only did the truck break the big glass but pounced the many pieces of high grade furniture across the display room to the south side and shoved a fine bedstead and mattress through the front window. The estimated loss ranges around \$2500 including glass and the damage to furniture.

Mr. Daughtery was on his delivery that morning and had a big load of finished laundry. He had stopped at the Dillingham Barber Shop and the truck was at the usual angle to the curb, of about forty-five degrees across the street from the Barrow Furniture store windows. When Daughtery was ready to start he had to crank the truck as the battery was down. The crank was whirled rapidly and without warning the engine boomed away and the truck began backing. Daughtery got out of the bumper without injury and the truck took a bee line for the big glass, reaching them just as the momentum was at high pitch. There was a crash like the whole house was falling and then came the havoc among the beautiful sitting room suits, dining room and bed room suits, and rugs, piling them up in the corner on the front street, with a prettily equipped bed mashed through the plate glass.

Friday afternoon Jim B. Miller, who lives five miles east of Hamlin, brought in the first 1926 bale of cotton.

TWENTY YEARS AGO

(August 30, 1956)

Extensive improvements have been made throughout the Hamlin School plants during the summer, pointed out Superintendent C. F. Cook this week on the eve of openings scheduled September 4.

The high school stage has been enlarged and refinished, and new furniture for the science department has been added. New furniture for the DePriest School has been added. The buildings of DePriest School have been painted throughout. New book cases have been built and new equipment added for the science department. Floors in all buildings have been refinished.

Play grounds for the Primary and Elementary Schools have been sodded. New tennis courts for Junior High School are now under construction. The gymnasium and band hall will be finished by November 1. The homemaking department in high school has new chairs.

Another teacher was added to the faculty of Hamlin Schools at a special meeting of the board of trustees Monday night. Mrs. Cliff Reynolds Jr. was named to teach health and science in the seventh and eighth grades.

Jones County voters went out in almost as big numbers in Saturday's run-off primary election as they did in the general primary in July, casting 3984 votes compared with 4410 votes in the previous balloting.

They reelected Dave Reves to a third term as sheriff by giving him 2514 votes to 1820 for his opponent, E. D. (Doyle) Woody, deputy sheriff under Billy Dunwoody, former long time sheriff of the county.

Hamlin Funeral Home moved to its new quarters in the former Magee property, at the intersection of Lake Drive and Central Avenue, three and one-half block north of the old location.

The property has been completely decorated and arranged for the concern, and Mr. and Mrs. Bill Foster, the proprietors, invite the people of the area to visit the new offices and showrooms.

Declared winner of the governor's race by the Texas Election Bureau by a scant 3547 out of a total of 1,392,703 votes cast in run-off primary was Price Daniel. Ralph Yarborough, who carried Jones County by 742 votes, still contends he is the victor, alleging mistakes in tabulations by the Texas Election Bureau.

TEN YEARS AGO

(August 25, 1966)

Hamlin football fans will get their first pre-season look at the 1966 version of the Pipers here this Friday night when the

Pipers scrimmage the Sweetwater Mustangs.

Coach Joe Youngblood said that while the school cannot charge admission to a scrimmage, there will be a barrel at the gate for those who wish to donate a bar of soap to the team.

The 21 man varsity squad sports 10 let-terms back from last year to form the nucleus that Coach Youngblood will build from.

The major change in the lineup will see Larry McCoy, last year's all district defensive guard, move to the fullback spot. The varsity lineup includes Paul Long and Bob Clifton, juniors, at quarterback; Joe Adams, Sammy Ferguson and Phillip Simpson, juniors, at halfback and tailback; McCoy, senior, and Milton Davis, junior, fullback.

Running at center is Jimmy Hastings, junior, and Jerry Stuart, senior at guards; Bobby Moore, senior, Raul Solis and David Wallace, juniors at tackles; Jesse Mendoza, Randy Smith, Doug Carlton, seniors, at the ends; Louis Shelton, Mike Murphee, seniors, and Milton Davis, junior.

On defense the Pipers will go with Jim Bonds, senior, and Ferguson, Stuart, Adams, Shelton and Simpson; at linebackers will be Moore, Solis and Davis; at cornerback will be Adams and Ismael Mendoza, senior; at ends will be McCoy and Hester; at tackles will be Mendoza, Smith and Carlton; and at guards, Hastings, Randy Kelly and Wallace.

Cynthia Stephens, daughter of Mr. and Mrs. H. D. Stephens of the Neinda Community, will represent the Hamlin FFA Chapter in the Sweetheart Contest in the West Texas Fair in September.

School Superintendent C. F. Cook gave a progress report on the new high school building this week. He expects it to be after Oct. 1 before bids will be let on the construction.

NEWS AND VIEWS. . .

And What Have You

— Continued from Page One

sweeping and nothing can stand against it.

"We've got more federal government than we want, need, or can pay for.

"Busing is only one example. Practically everyone agrees that the rules and regulations of OSHA are unnecessary, unwanted, unwarranted, and ridiculous. Yet does the Congress vote to limit their power or restrict their scope of activity? Nope!

"HUD reaches into our local schools and dictates that over half the meals served in the cafeteria shall be given away free. Does the Democrat-controlled Congress try to correct the situation? Nope!

"The EPA concerns itself with air bags, seat belts, buzzers, bells, the air we breathe, the streams that flow, the prairie dogs we feed. Even with millions of complaints from citizens, does Congress move to limit the agency? Nope!

"Congressmen and senators, administrators and agency heads go back to the people each election year and like Jimmy Carter, run on a ticket of denouncing Congress, the administration, the Supreme Court, and Washington in general.

"Then after election, they go right back to Washington and vote more money for more programs, more funding of more agencies, more power to more groups to control our lives and our activities.

"Like Senator Howard Baker said Monday night, "We need our representatives in Washington to legislate less and listen more!"

Where to...?

Did you ever look down railroad tracks and wonder where they went... or put your ear to the track, listen to the hum, and try to guess when the train would reach you? These questions we may have asked when we were children, but as adults it is time to ask... Are we headed in the right direction? Are we prepared for things in the future regardless of when they will arrive? Choose now the path you will take. Let the church help guide you.

"Oh that my ways were directed to keep thy statutes!"

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

AUGUSTIN BARRON JR.
... gets Master's

Augustin Barron Receives Master's Degree At NTSU

Augustin Barron Jr., a 1968 graduate of Hamlin High School as salutatorian, has received a master's degree in economics from North Texas State University, Denton.

Barron is an August 1971 graduate of McMurry College, Abilene, where he received a bachelor of business administration degree.

He is the son of Mr. and Mrs. Augustin Barron Sr. of Hamlin.

Barron and his wife, the former Debra Sue Brumley of Arlington, reside at 3115 E. Park Row in Arlington where he is employed as an auditor with the State Department of Public Welfare.

Rosendo Morales Gets Certificate

Rosendo Morales, a student in Automotive Mechanics at Texas State Technical Institute in Sweetwater, received his certificate Aug. 19 when the class of 114 in 10 skill development programs graduated.

Bids, Legal, Auction

NOTICE OF PUBLIC MEETING
The State Department of Highways and Public Transportation will conduct a public meeting on September 28, 1976, at 7:30 p.m. at the City Hall, 353 South Central, Hamlin, Texas, for the purpose of discussing the need for and suggested alternatives for the possible construction of F. M. Highway 3339 in Fisher County from State Highway 92, 2.1 miles west of F. M. Highway 540, southeast 5.1 miles to F. M. Highway 2142, following existing county roads except at two curves. The proposed road would have an asphalt surface 20 feet wide within right of way 100 feet wide. All interested citizens are invited to attend this public meeting to express their views.

NOTICE
The McCaulley Independent School District serves notice to adopt its 1976-77 budget. Meeting will take place Monday, Aug. 30, 1976, 8 p.m. in the high school building.

Philosopher Doesn't Like Either Political Party's Platform, Writes One of His Own

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route one has drawn up a political platform of his own, but of course he's not running for anything.

the tax loopholes. I don't want them closed, I want them pointed out.
CHILD CARE: A good idea. All children should take care of their parents.

and leave mine alone.
If I've left out any issues, it was intentional.
Yours faithfully,
J.A.

Dear editor:

The same as everybody else except the people who wrote them, I have not read the entire platforms of the Democratic or Republican parties, but I have paid enough attention to catch on to some of the main planks and I am forced to say they don't suit me. I knew they wouldn't suit me before they were written. A man who can't develop his own prejudices ahead of time isn't going to have any fun with politics. Might as well try to keep a delegate from waving a sign.

Anyway, just to be doing, I have drawn up a platform of my own, facing up to the issues as I see them:

TAX LOOPHOLES: Some people are in favor of closing

BUSING: I'm in favor of outlawing busing in the Panama Canal.

ABORTION: It's not necessary to dodge this issue, the other candidates have already done it for me.

EQUAL RIGHTS: I'm in favor of equal rights, but am violently opposed to equal wrongs. Let somebody else get mugged. Of course women are free to think whatever they please, so long as they get the meals on the table on time.

FOREIGN POLICY: It will be continued till we run out of money, at which time it'll be the other countries' turn to foreign-policy us.

UNEMPLOYMENT: There should be a job for everybody who wants one, and none for those who don't.

EARTHQUAKES: Who needs them when we've got people like the citizens of Beirut?

INFLATION: Everybody else should lower his prices

Oak Grove Sets Dinner Saturday

The Usher Board of Oak Grove Baptist Church is sponsoring a dinner Saturday beginning at 5:30 p.m. in Fellowship Hall, according to Isa Jenkins, president.

The menu will include fried chicken, green beans, broccoli and rice, tossed salad, assorted pies, hot rolls and iced tea.

Price per plate will be \$2.25. The public is invited.

Wills, Estates

Class to Be Held

The first class to be offered in the Community Education program for 1976-77 will be "Wills, Estates, and Probate Information." It will be an outline of Texas law regarding the need for wills and trusts.

John Watts, local attorney, will teach the class, which will meet on Monday, Sept. 6 and Tuesday, Sept. 7. Classes will be held from 7 to 9 p.m. in the high school library. There will be a \$2.00 fee for each person desiring to take the course.

Registration for this class, as well as for the other Community Education classes scheduled for this fall, will be held in the foyer of Hamlin High School from 6 to 8 p.m. Monday and Tuesday.

Hawaii Kai Open Weekends

Hawaii Kai, the family entertainment park located in Arlington, has announced the park will remain open on weekends through Sept. 26, and possibly year around on a weekend schedule during the fall and winter months. The park will be open daily through Labor Day, Sept. 6, and is now offering Luau's for the public every Friday and Saturday night. The Luau's begin at 8:30 p.m. and include an exotic Polynesian buffet, Hawaiian Stage Show and visiting privileges to Hawaii Kai throughout the day of the Luau.

'Reddy's helpful tips for your Home Laundry'

PLAN AHEAD
Sort clothes according to type of fabric, color-fastness, degree of soil and garment construction.
You'll save both hot water and electricity by doing similar items together.
Accumulate a full load before running your washer.

BE SELECTIVE
Choose the cycle that is precisely appropriate for the clothes you are washing. Is a "hot" temperature setting really necessary? Except for heavily soiled items, most loads will come clean in either a cold or warm wash. Look into cold wash detergents.

Use the least amount of detergent that will get your clothes clean—most loads require only an ounce or less!
Overloading causes extra strain and wear on your equipment: check the manufacturer's recommendations for load weight.
Balance your load by alternating small and large items.

FOR SAFETY SAKE
Be sure control is "off" before reaching into your washer.
If one is necessary, use only a heavy duty extension cord.
Be sure your washer is grounded.
Keep dry cleaning agents, color remover and Fibreglas out of your washer. It's a good idea not to wash clothes containing cleaning fluids in your washer.

Pick up your FREE copy of "ENERGY CONSERVATION" Booklet from
Frigidaire
Home Environment Division of General Motors.

Sylvester Rites
Held Wednesday
For Billy Moffett

Services were held at 2 p.m. Wednesday in Sylvester Methodist Church for Billy Moffett, 45, of Sylvester who died at 4:30 p.m. Monday at Hamlin Memorial Hospital. Services were conducted by the Rev. Mike Robinson, former pastor of Sylvester Baptist Church. Burial was in Sylvester Cemetery, under the direction of Weathersbee Funeral Home of Rotan.

Born March 30, 1931, in Bracketville, he was the son of Mrs. W. R. Moffett and the late Mr. Moffett. He had lived in Fisher County most of his life and was a member of Sylvester Baptist Church.

Survivors include his mother of Sylvester; six brothers, Douglas of Grand Saline, Glen of Sylvester, Danny of Mesquite, Larry of Plainview, Terry of Abilene and Jerry of Anton; six sisters, Mae Laverne Colley of Edmond, Okla., Oleta Davis of Mineral Wells, Bonnie Stanford of Plainview, Sharon Long of Canton,

NEWS FROM

OLD GLORY

By BERNICE D. WHITE

Old Glory and its consolidated school districts will have many of their ex-students heading home for the Labor Day weekend. Plans for this event are nearing completion and it should be a very interesting homecoming.

An announcement by the Old Glory Church of Christ states that in order for their members and visitors to get to the Homecoming in time for lunch on Sunday, Sept. 5, they will have services earlier than usual that day. Classes will begin at 9 a.m. and worship services at 10 a.m.

Okla., Brenda Walden of Del Rio and Cheryl Fenwich of Abilene; 12 nieces; 20 nephews and a grandnephew. He was preceded in death by his father and a brother. Nephews were pallbearers.

Old pictures and other items are still needed to make the historical room an interesting one. Anyone having items to display is asked to leave them with Mrs. Travis Beil or at the County Superintendent's office in Aspermont.

Mr. and Mrs. Beno Hertenberger were in Fort Worth over the weekend to attend the wedding of their grandson Jackie Simmons to Lori Harbison at Mid Town Church of Christ in Fort Worth.

Mr. and Mrs. Hertenberger visited in the home of their daughter and husband, Mr. and Mrs. Jack Simmons, while there. Their grandson, Lane Hertenberger of Rule, drove them to Fort Worth.

Mr. and Mrs. Oren Baldree and Marcene attended the graduation exercises of their daughter Susan Baldree from Hendricks Vocational Nursing School at Elmcrest Baptist Church in Abilene Friday.

Mrs. Adeline Letz accompanied her grandson, Guy Callicoaite, to Midland over the weekend where they visited in the home of her daughter and husband, Guy's parents, Mr. and Mrs. Jerry Callicoaite.

Mr. and Mrs. Glen Dunham and Shelly were on vacation to Lake Whitney last week. While there they visited his uncle and family, Mr. and Mrs. Amos Dunham and children. During the trip they also stopped for a short visit with her father, Arthur Dunham in Santos and spent a night with his cousin and family, Mr. and Mrs. J. E. Dunham and family in Gordon.

The Dunhams had to cut their trip short when Mrs. Dunham became ill and entered Stamford Hospital for a few days. We are glad to report she is back at home now and feeling better.

Mrs. Vernon Surratt Jr.

and little girls of Clyde have been here visiting in the home of her parents, Mr. and Mrs. Oren Baldree, while her husband has been a patient in Stamford Hospital.

Recent visitors in the home of Mr. and Mrs. Morris Garner and Mrs. Willie Fletcher included Belle Duncan from Los Angeles, Calif., Mr. and Mrs. John Duncan of Rule, and also the Garners son and family, Mr. and Mrs. Loy Garner, Jana and Julie of Abilene, and Mrs. Preston Garner of Swenson.

Mrs. Willie Fletcher is in Abilene this week visiting with Mrs. Loy Garner and girls while Loy is on a business trip to the East Coast.

Funeral Services
Held Monday for
Sidney Clay, 91

Sidney F. Clay, 91, a longtime resident of Hamlin, died Saturday at 9:45 a.m. at Holiday Lodge Nursing Home. Services were held Monday at Central Avenue Baptist Church with Rev. Marshall Stewart, pastor of Church of Nazarene, and Rev. Bud Adkins, pastor of Central Ave. Baptist Church, officiating.

Burial was in Hamlin East Cemetery conducted by McCoy Funeral Home.

The son of the late Mr. and Mrs. William Clay, he was born June 30, 1885, in Tennessee and married Gladys Azebell at Hamlin in 1942.

He was a retired carpenter and a member of Central Avenue Baptist Church.

Survivors include his wife Gladys, three sons, George Clay of Andrews, Cyril Crouch and Herbert Crouch, both of Hamlin; four daughters, Mrs. Belle Dossett of Arkansas, Mrs. Laverne Smith of Orange, Mrs. Louise Coleman of Breckenridge and Mrs. Irene Wolf of Hamlin; one sister, Mrs. Willie Bowman of Hamlin; 22 grandchildren; 27 great grandchildren; and one great-great grandchild.

Pallbearers were Bob Cary, Ellis West, J. D. Miller, J. D. Boatright, Billy Deel and Danny Tice.

A ROOM ADDITION can go a long way towards easing overcrowding. To keep heating costs within reason, be sure to provide for energy conservation. This handsome Andersen Perma-Shield bow window affords plenty of viewing area while the double-pane insulating glass and factory-applied weatherstripping guard against excessive heat loss.

Adding a room? Careful
planning can save fuel

With heating and cooling costs up sharply, energy conservation in a home environment project has become nearly as important as additional living space.

Suppose, for example, you're thinking of adding a bedroom to a home that faces south. Should you place the addition at the east end or the west end?

In the warmer climate of the South, it's best to position the new bedroom at the east end where it will receive the morning sun. At the west end, the bedroom would receive the warm afternoon sun, making it harder to cool at night.

In colder areas of the North, it might be best to place the bedroom at the west end to take advantage of the heat gain from the low winter sun.

Andersen Corporation, a leading manufacturer of Perma-Shield windows and gliding doors, points out, however, that proper orientation should not be considered an alternative to good window design and workmanship.

When planning windows for any home improvement, remember that considerable heat loss can occur through and around loose-fitting windows. With factory-engineered windows glazed with double-pane insulating glass and factory-applied weatherstripping, heat loss from both conduction and air infiltration can be reduced significantly, with resultant lower fuel bills, compared with units of lesser quality.

Double-pane insulating glass achieves approximately the same effect as tight-fitting storm sash over single-glazed windows without the bother. It is available in all Andersen Perma-Shield windows and gliding doors. Preservative-treated wood, a natural insulator, is used as the core for the sash and frame in Perma-Shield units. The wood is encased in tough, rigid vinyl for long life and low maintenance.

Additional suggestions on home remodeling with windows are in a free, 24-page booklet which can be obtained by writing Andersen Corporation, Dept. R, Bayport, Minn. 55003.

Graveside Rites
Held Tuesday for
K. W. Kerbow, 65

Graveside rites were held here Tuesday at 4 p.m. for K. W. Kerbow, 65, of Amarillo, a retired employe of the Engineering Department of Texas State Highway and Texas Highway Department.

Mr. Kerbow died Sunday in Amarillo. Services were held at 10 a.m. Tuesday at N. S. Griggs Pioneer Chapel by the Rev. James Futch. The Rev. Howard Jones, pastor of First Baptist Church, officiated for graveside rites in Hamlin Memorial Cemetery.

Mr. Kerbow was born in Roby and had lived in Amarillo 39 years. He retired in 1974.

Survivors include his wife, Mrs. K. W. Kerbow; a daughter, Mary Kathy Dixon of Sweetwater; a sister, Mrs. Paul Smith of San Angelo; and four granddaughters.

Erma Wallace is in Stamford at the home of her sister, Mrs. M. C. McKinley.

after being released Monday from Hendrick Memorial Hospital in Abilene where she had been hospitalized for surgery.

Houston Flood, \$700,000 / Lemont, Ill. Tornado, \$45,000 / Wyandotte, Kansas Flood, \$37,300 / New York Floods, \$14,131 / Teton Dam Break, Idaho, \$1,888,000 / Tulsa, Okla. Flood and Tornadoes, \$650,000 / Typhoon Pamela (Guam), \$11,000,000 / Loudoun County, Va. Fire, \$59,500 / Arkansas Tornadoes, \$75,000 / Mississippi Tornadoes and Floods, \$500,000 / Michigan Flood, \$50,000 / Guatemala Earthquake, \$1,500,000 / State of Washington Flood, \$170,000 / Hurricane Eloise (Puerto Rico), \$7,878,700 / Tropical Storm Caroline, \$97,500 / Wheeling, W. Va. Floods, \$119,200 / New Jersey Flood, \$328,900 / Minnesota and Dakotas Floods and Tornadoes, \$81,800 / Montana Flood, \$238,400. And over 500 other disasters so far where we've brought help to victims.

With no more fires, hurricanes, floods, tornadoes, earthquakes or typhoons the rest of the year, we'd still be millions of dollars behind in disaster relief funds.

We've just gone through the most expensive disaster period in our history. And having spent well over 35 million dollars in disaster relief, the Red Cross is now the one who needs help. You can supply some of it by either contributing to your local Red Cross Chapter Emergency Disaster Fund Drive or sending money directly to our headquarters in Washington. People are seldom ready when disaster strikes. And that's why we have to be.

Disaster Relief, American Red Cross Headquarters Washington, D. C. 20006 (or your local chapter)

Enclosed is my contribution of \$_____ to your emergency drive to aid disaster victims.
